Dear Frank:

It's a pleasure to write this letter to thank you for the assistance you have given me with my events over the years. These include clients such as Weyerhaeuser, Meadowbrook Concours d'Elegance, Cranbrook Schools, Congressman Mike Rogers and many others. Many of these have been repeat customers that rely on the quality of your work and equipment, your creativity and your attention to detail. Your ability to work within a budget and do more than is expected is appreciated by me and my clients.

One client, Cranbrook, has even mentioned that they look forward to your creativity and the fact that you design new lighting effects each year.

Frank, thanks for your great work. I look forward to your assistance with my events for many years to come.

Sincerely,
